

INN GOOD COMPANY WITH OLIVER BAYLISS
OF BAYLISS RARE BOOKS
TUESDAY 18TH FEBRUARY

Join Oliver Bayliss of Bayliss Rare Books for an engaging talk on the art of collecting rare books. With years of experience uncovering literary treasures, Oliver will share insights into what makes a book rare, the thrill of discovery, and stories from his hunts for the most elusive of texts. Oliver will also be bringing a number of first editions from his shelves to share with us.

As a noted dealer Oliver has curated full collections for clients, helped to design libraries, sourced some of the hardest to find works on the planet and travelled far and wide for elusive first editions. Including highly sought-after classics such as signed Harry potter first editions, and the full James Bond collection.
